Every other thing you wanted to know:

Parking/Security: Have a photo ID readily available to gain access to BAMC grounds. Parking is located on site and is free

Food: The award winning BAMC dining facility offers a wide variety of healthy food. A Burger King is located in the basement. Several breaks are provided and food costs are your own.

Smoking: Brooke Army Medical Center is a Smoke-Free Environment. Smoking is permitted only in designated smoking areas outside the hospital.

Billeting: Military Personnel on TDY orders may stay at the Fort Sam Houston Guesthouse, adjacent to BAMC. For reservations call: (210)

San Antonio…

San Antonio is a truly spectacular city offering a wide variety of entertainment within close proximity to BAMC. The famed River Walk, located downtown, is especially scenic and well worth the time to visit. It is the home of some of the better restaurants and nightlife. River barge tours provide a unique way to experience the flavor of our city at a very reasonable cost. Other main attractions include the Alamo, Hemisfair Park, the River Center Mall and the Alamo Dome. The New SBC center hosts the San Antonio Spurs professional basketball team and many other concert events. The Mexican Market (El Mercado) bustles with people, products and outdoor restaurants. Nearby the historic La Villita serves as home for artisans, galleries and restaurants. Throughout the city you will find music ranging from symphony to mariachi, country western to Dixieland jazz. Charming horse drawn carriages and open trolley cars carry visitors through the streets of

BAMC Primary Care Pharmacology Conference

Presented by BAMC Advanced Practice Nursing Group

04 MAR 05
BAMC Auditorium
0700-1630

BROOKE ARMY MEDICAL CENTER
FORT SAM HOUSTON, TEXAS

7 Continuing Education Hours
7 Continuing Medical Education Hours

COURSE DESCRIPTION

This mutlidisciplinary program is designed to provide pharmacology continuing education to advanced practice nurses, physicians, and physician assistants. The course format allows for significant and free exchange of ideas.

COURSE OBJECTIVES

Develop a greater understanding of pharmacology as it applies to primary care.
Understand the research process as it is applied to various topics.

ACCREDITATION

This educational activity, has been awarded 7 nursing contact pharacology hours by the American Nurses Credentialing Center (ANCC) or 7 continuing medical education (CME) hours by Brooke Army Medical Center and MEDCOM.

CONFERENCE CONTINUING EDUCATION

Each attendee must complete an evaluation in order to receive a certificate. Please take the time to evaluate the individual lectures and workshops as well as the overall conference. Your feedback is helpful in evaluating the effectiveness of the sessions, and is used to plan future conferences and continuing education. Your suggestions are appreciated and valued. Thank you in advance
